1. Progression through Polytechnic

a. Polytechnic Foundation Programme (PFP)

Students eligible for PFP Programme:

- Report for **Sec 5N(A)** on **2 Jan 2026**
- Upon the **release of O-level results** in January, **eligible students will be invited to apply for the PFP.**

POLYTECHNIC FOUNDATION PROGRAMME (PFP)

Essential Things You Need to Know

1. What is the PFP?

- A foundation year at the polytechnics that:
 - Prepares well-performing Sec 4N(A) students for entry into relevant polytechnic diploma courses
 - Serves as an alternative to Sec 5
- Conducted over two academic semesters at the polytechnics
- Students must pass all PFP modules in order to progress to a Diploma course.

2. Am I Eligible for PFP 2026?

You are eligible for the PFP if you:

- ☐ Sat for GCE N-Level exams as a school candidate in 2025
- ☐ Have obtained an ELMAB3 aggregate of 12 points or less (before deduction of CCA bonus points)
- ☐ Met subject-specific entry requirements as listed on the PFP portal

✓ **If you can check all 3 boxes above, you're eligible!**
(Note: Eligibility does not guarantee you a place in a PFP course)

If you had offered GCE O-Level examination subjects in 2024, you may refer to this table for the equivalent grade to compute your ELMAB3 aggregate:

GCE 'O' Level Grade	Converted Grade
A1-B3	1
B4-C6	2
D7	3
E8	4

3. How do I Apply?

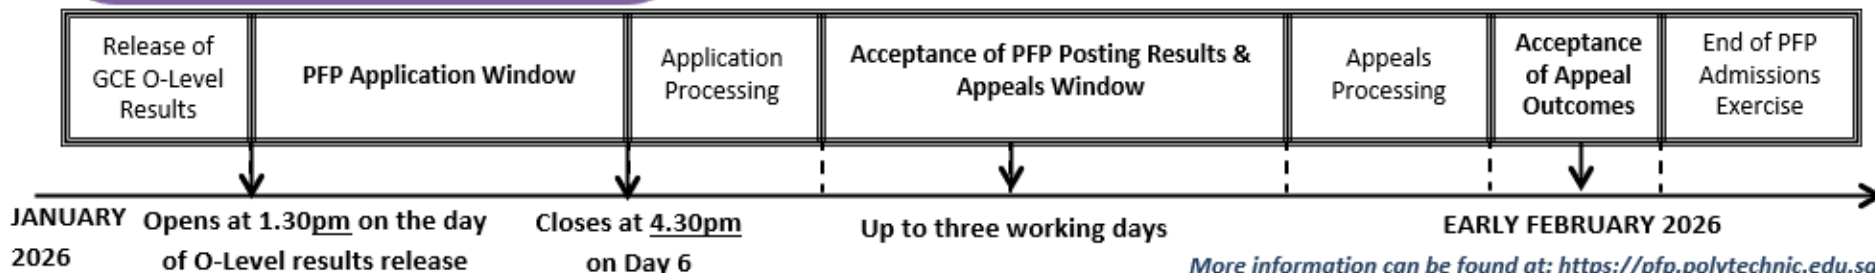

- Upon release of the GCE O-Level results, all PFP-eligible students will receive Form P to inform them of their eligibility to apply for the PFP at this [link](#) using their Singpass.
- You may select up to five course choices.
- Remember to provide updated contact details in your application to allow the polytechnics to contact you if necessary.
(Note: You should continue to attend Sec 5 from 2 January 2026 while applying for PFP.)

4. How Will I be Informed of the Outcome?

- You should log in to the PFP portal to check your application outcomes on the day of PFP posting results release.
- You will then have to indicate if you wish to accept/reject/appeal the offer.
- If you do not select any option, your offer will become invalid and you will be required to continue with your classes in Sec 5/DPP.
(Note: If your appeal is successful, your original offer will be voided, regardless of whether you accept the new PFP offer.)

5. What Happens Next?

- If you accept your offer, you will receive an enrolment package from the polytechnic in February/March 2026.
- The PFP year will start in April 2026.

2. Progression through ITE

a. Direct-Entry-Scheme to Polytechnic Programme (**DPP**) JIE 'H'

Students eligible for DPP Programme:

1. Apply for 2-year Higher Nitec course during 1st phase,
[18 to 22 Dec 2025 \(5pm\)](#)
2. Once you have accepted a DPP offer, you need not continue with 5N(A). If not successful, consider other options.

Advantage of choosing DPP over Sec 5N(A)

[Guaranteed](#) placement in a polytechnic course mapped to Higher Nitec course, if [qualifying Grade Point Average \(GPA\) are met.](#)

DIRECT-ENTRY-SCHEME TO POLYTECHNIC PROGRAMME (DPP)

5 Things You Need to Know

1. What is the DPP?

- Prepares Sec 4N(A) students for progression into selected polytechnic diploma courses via a **2-year Higher Nitec programme at ITE**, and a **10-week DPP preparatory course**
 - Serves as an alternative to Sec 5
- DPP students who meet the **minimum** qualifying GPA score are guaranteed a place in a polytechnic diploma course mapped to the **Higher Nitec** course. (Refer to <https://jpae.polytechnic.edu.sg/app> for course mapping.)
- About 1,200 places offered across 18 **Higher Nitec** courses

2. Am I eligible for DPP?

- ☐ Sec 4N(A) student who has sat for GCE N-Level exams in 2025
- ☐ Obtained ELMA3 aggregate of **19 points or less** (before deduction of CCA bonus points)
- ☐ Meet course-specific entry requirements

✓ **If you can check all 3 boxes above, you're eligible!** (Note: Eligibility *does not* guarantee placement.)

If you have offered GCE O-Level examination subjects in 2025, you may refer to this table for the equivalent grade to compute your ELMA3 aggregate:

GCE O-Level Grade	Converted Grade
A1-B3	1
B4-C6	2
D7	3
E8	4

3. How do I apply?

- Upon release of the GCE N-Level results, all DPP-eligible students may apply for DPP **Higher Nitec** courses via the ITE website (<https://www.ite.edu.sg>).
- You may select up to 12 course choices.
- Remember to provide updated contact details in your application so that ITE can contact you if necessary.

4. How will I know the outcome?

- You should check your DPP posting results online on the morning of the release of the DPP posting results.
- You will then have to **indicate** if you wish to accept/reject/appeal the offer.
- Your offer will be void if you do not accept the offer by the stipulated date. You will **be required** to continue with your classes in Sec 5, or with your **Nitec/Higher Nitec** course if your application via JIE 'N' is successful

5. What happens next?

Upon accepting your DPP offer, you will attend a 10-week DPP preparatory programme starting from Jan 2026.

More information can be found at: <https://www.ite.edu.sg/secondary-school-students/ite-full-time-courses/higher-nitec-for-dpp>

3. Progression through Sec 5N(A)

- Students who **qualify for PFP/DPP** are strongly advised to **apply and accept PFP/DPP** over 5N(A).
- O-Level exam is **more challenging** & require **significantly more effort & hard work** than N-level exam.

Students who wish to return for Sec 5N(A) are required to complete an online reflection form by 29 Dec 2025. Selected students will be asked to meet the YH/SL.

Release of N-Level Results

What are some of the things that I enjoy doing? How would I describe my strengths and interests?

- Align your strengths and interests with relevant courses offered by various educational institutions.
- For instance, if you have an interest in engineering, healthcare, or design, you might find suitable courses at institutions such as ITE.

How will the programmes offered by education institutions further develop my strengths and interests?

- Taking into consideration the net aggregate points of the courses in 2025 JIE, list all the institutions that offer courses that you are interested in.
- For example, if you are interested in business, you can list down the business courses offered by the ITEs, such as Business Administration or Accounting.
- You can also further categorise them into the various ITE locations – ITE College Central, ITE College East and ITE College West.

- Key Pointers for Students on ITE's Joint Intake Exercise (JIE)

ALL students in N(T) and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Those who were unsuccessful in EAE are also eligible for JIE.

Apply in the 1st JIE main phase in December.

Use all 12 JIE choices wisely, as competition for 3-year Higher Nitec courses is keen!

Do consult your teachers / ECG counsellors to help you make your choices!

Do use the Last Aggregate Score (LAS) published in ITE's admission portal to help you make your course choices.

You are eligible for Enhanced Foundation Programme (EFP) if you receive an invitation letter to the EFP addressed to you and a copy of invitation letter for your parent/guardian.

If you are eligible for EFP, make sure you apply for both the 4-Year and 3-Year Higher Nitec Course.

The EFP helps to build the necessary literacy and numeracy foundations!

If you are counter-offered a course, accept it first to secure a place in ITE, before appealing for another course you may be more interested in!

JIE Appeals

JIE Appeals

Can I appeal for transfer to another course?

- If you have received a course offer, accept the offer first. After accepting the original offer, you may then submit an appeal for one alternative course.
- Keep your options open as accepting the current course offer ensures that you have a place at an ITE to continue your studies while waiting for the appeal results.
- While all eligible appeals for transfer will be given due consideration, meeting the minimum entry requirements does not guarantee a place in the course, as admission is also subject to available vacancies in open competition.

JIE Appeals

How do I appeal for a course?

- Submit your appeal via the ITE website: (<https://www.ite.edu.sg>). Please refer to the ITE website (www.ite.edu.sg) for the appeal dates.
- Click on the tab – **'Apply for ITE Courses'** and follow the steps on the website.
- For more advice, you can approach your school's ECG counsellor.

After JIE Appeals

After JIE Appeals

How do I check my JIE appeals outcome?

- Check the final result of your appeal at (<https://istudent.ite.edu.sg>) using the given web ID and password.
- Review your appeal outcome and carefully consider the course you are posted to.
- If you do not receive a posting by the end of JIE appeals, you will be offered an alternative course as an additional option.
- Consider accepting the alternative course, as it provides an opportunity to continue your studies.

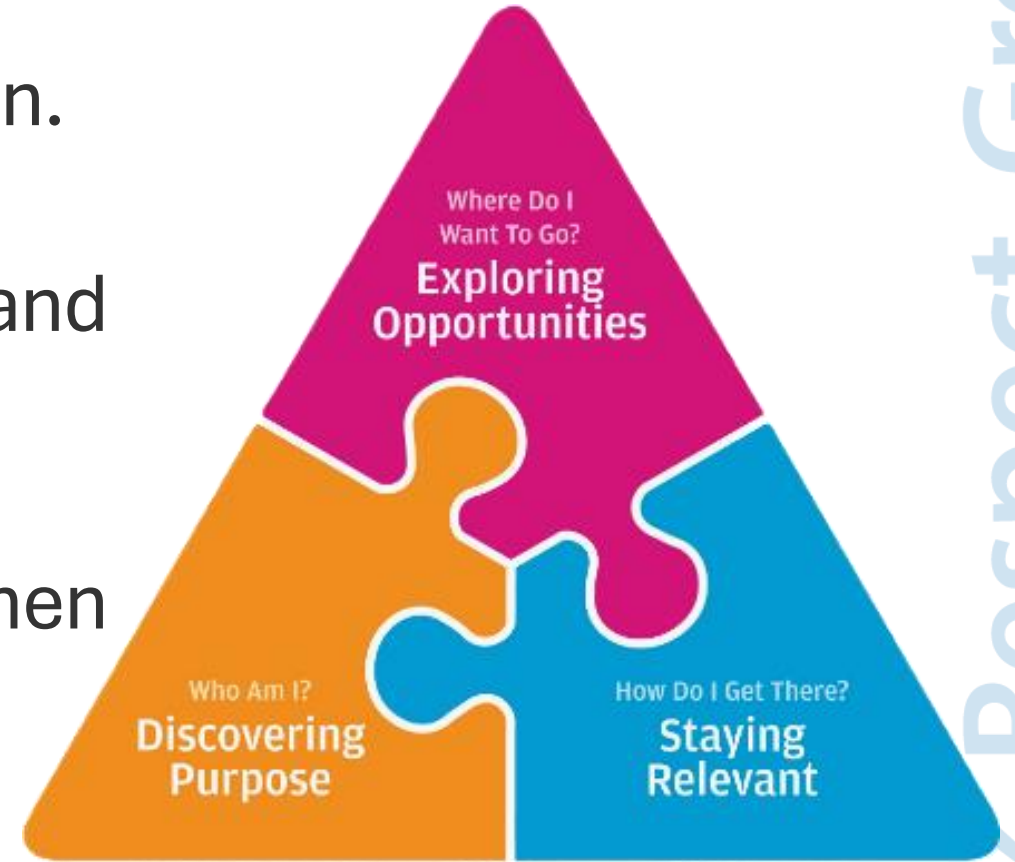

What happens if my appeal is unsuccessful?

- If your initial appeal is unsuccessful, you may submit another appeal online during the final appeal phase. Please refer to the ITE website for details on the dates.
- To explore possible options please make an appointment with your ECG Counsellor.

The GCE N-Levels is not the destination.

It is part of the process of **growing** and **learning**.

Opportunities are available when **you are open to possibilities.**
