EMOTIONAL SUPPORT: STUDENT VOICE PORTAL

Student Voice Portal is a platform where students can share what is happening in their lives or let us know if there are students around them who require more support.

The infographic features a central illustration of two cartoon children, a girl and a boy, standing on a purple speech bubble labeled 'School Facilities'. Above them is a light blue speech bubble saying 'You matter to us!'. Surrounding them are four larger speech bubbles: a purple one for 'Student Well-being', a purple one for 'Discipline Matters', a dark red one for 'General Feedback', and a purple one for 'School Facilities'. A QR code is located in the top right corner, and a thumbs-up icon is in the bottom right corner. The background is light blue with various colored circles and a lightbulb icon in the top left.
