Dear Parents/Guardians,

MOE-OBS 2-Day Programme Changed to 2Day/1Night, Residential Course

The COVID-19 situation in Singapore has stabilised, and the Multi-Ministry Taskforce has announced further easing of community Safe Management Measures (SMMs), as well as the adjustment of the Disease Outbreak Response System Condition (DORSCON) level from orange to yellow.
From **26 April 2022**, the following SMMs are as listed:

Parameter	Current Posture
(1) Group sizes	• No limit
(2) Mask-wearing	• **Required** indoors • Optional outdoors
(3) Workplace requirements	• All can return to office
(4) Safe distancing	• **Not required**
(5) Capacity Limits	• No limit

Hence, we are pleased to inform you that our school's MOE-OBS programme from 30-31 May will now be a residential 2 days 1 night course. This will allow our students to have a more immersive outdoor experience for this important milestone programme.

The reporting time and dismissal time will be advised by MOE-OBS soon and we will update parents and guardians once we have the information.

The packing list is included as a separate attachment along with this parent's letter. Our Queenstown Secondary School website has been updated with the latest OBS information. You can access the information through the following link:
